

THE GOURMET LUNCH LADIES WEBSITE OFFICIALLY LAUNCHED. The Gourmet Lunch Ladies are committed to building long lasting relationships and serving the freshest quality lunches in the lower mainland.

(LANGLEY BC) With owner Tina Hoogeveen's passion for food and keen business sense it only seemed natural that she start her own gourmet catering service. Ten years as a successful downtown Vancouver Wine Representative and two years as co-owner of high-end Mediterranean Market and Deli, Zerellis, not only groomed her to start her own boutique catering company, but also taught her the importance of offering outstanding service. Using only the freshest seasonal ingredients, home made sauces and dressings, breads and cookies baked daily, and succulent oven roasted meats, The Gourmet Lunch Ladies prides themselves in delivering delicious, home cooked lunches with friendly service and outstanding quality. Tina describes her company as a "boutique, corporate catering company that focuses solely in serving gourmet, fresh, made to order office lunches." With favorites like their Roast Beef, Parmesan & Arugula Sandwich, the Pear Roquefort Salad and their Gourmet Hot Lunches, there is enough selection to amaze even the pickiest of eaters. Happy loyal clients are very important to The Gourmet Lunch Ladies, so they do offer a great incentive program for repeat business and with every new delivery customers receive one free platter of gourmet cookies.
